FRUIT & VEGETABLE PACKAGING CATALOGUE

**NATURAL
FIBRE BASED
PACKAGING
FOR FRUIT AND
VEGETABLES**

Every customer is unique - and so are the packaging solutions they choose. When it comes to fruits and vegetables, customers justifiably expect sustainable and recyclable packaging solutions.

Packaging must be adapted to the very specific demands of the product. The conversion to sustainable packaging has now become easier:

MM Packaging supports with sophisticated folding carton solutions, which can be quickly and easily customized to suit the product and the customer's wishes.
